On the Threshold of Time - 6

you are cordially invited to the opening of

On the Threshold of Time - 6

showcasing the works of 17 young artists

Each year Art Heritage organizes an exhibition entitled 'On the Threshold of Time' to promote young, emerging talent. We seek to cultivate and support new work that is not only aesthetically superior in a variety of mediums, but also work that is engaged with our times. This is our way of pushing the frontiers of art beyond the known into often uncharted territory. The Threshold series is a celebration of a new visual culture and sensibility that is defining a young India.
